## PLAYER PROFILE

An aggressive all-court player who wins by building points, not forcing them: heavy, deep, and patient, ready to attack the moment the court opens. I make opponents beat me instead of beating myself, and the pressure compounds over a match. Consistency first, controlled aggression second.

## THE TOTAL PLAYER

Developed across every dimension with deliberation: fitness, technique, tactics, match strategy, nutrition, and a trained mental game, the layer that governs the rest under pressure.
